3	This is a proposal to exchange forest land, 47-30-0 acres out of F.S. Nos. 19, 24 and 25 of Hirekerur Range for Malkia lands, 39-39-0 acres out of Malki S. Nos. 70 to 72 and 67/1 of Gangaikop village, to Sri. Kashim Khan S. Hussain Khan Malagimani of Gangaikop. The purpose for which the proposal has been made and the advantage flowing from it, is mutual, more to the Department. But the forest Officers have recommended an excess of about 8-0-0 acres, the purpose of which is not clear. This may perhaps be to make good the loss to be sustained by the applicant by foregoing his valuable lands in favour of the Forest Dept. In the absence of details

29. The recommendation of the c.c.f may be approved. It envisages the transfer of A 39 - 39 - 0 of Forestland in favour of the applicant in exchange to an equal extent of malki land belonging to him. The c.c.f has stated that by this transfer there is no need to adjust forest boundary. Since the land to be taken in exchange is more suited for raising plantations, this is advantageous to the Dept. There is no question of giving any compensation as indicated at Para 24 & 25 N.F since c.c.f's proposal for transfer do not envisage any such payment.

	Discussed. I find that the Minister for Forests was pleased to pass orders as long back as 23.5.1963 at para 38 n.f. that the lands may be acquired subject to exchange of the forest land in lieu of compensation. As a sequence to this order, the Secretariat should have put up a draft G.O. in conformity with the orders passed. Instead of doing so, an unnecessary back reference was made to the CCF on 30.5.1963 at page 28 c.f., which remains unanswered by the CCF event o this day. This back reference was unnecessary. It is such a ship-shod way of dealing with the files which leads to general complaint of delay even after the orders are passed by the Minister.	49

Sir,

Sub:-Request of Sri Kashimkhan W. Hussain Khan Malagimani of Gangaikop for grant of lands out of Forest S.Nos.19,24 and 25 of Hirekerur Range in exchange of with his Malki S.Nos.70-to 72 and 67/1 of Gangaikop village.

....

I enclose a copy of letter No.VIII/FCP/GFL/1978 (355) 60-61 dated 15-6-60 from the Conservator of Forests, Belgaum Circle, along with the connected papers on the subject, recommending the grant of 47 acres and 30 guntas of Forest lands as indicated in the sketch in exchange of Malki S.Nos. of the applicant measuring 39 acres and 39 guntas.

The malki S.Nos. of the applicant are reported to be better suited for this Department from Forest Conservancy point of view for raising plantations, nursery, etc., than the forest area requested for in exchange. Under the circumstances, I agree with the Conservator of Forests recommendation with the modification that the Forest land to be given in exchange shall be equal to the extent of the malki land to be taken over.

Orders of Government may kindly be issued early.

The connected papers may kindly be returned when done with.

Yours faithfully,

To

The Chief Conservator of Forests
in Mysore, Bangalore.

Sir,

Subject:- Request of Shri Kashimkhan W.Hussein Khan Malagimani of Gangaikop for grant of lands for cultivation out of Forest Sy.Nos. 19, 24 and 25 of Hirekerur Range in exchange with his Malki Sy.Nos.70 to 72 and 67/1 of Gangaikop village.

In enclosing herewith the correspondence (pages 1 to 49) on the above subject, I write to state that Shri Kshimkhan W.Husseinkhan Malagimani of Gangaikop requests to grant him 55 acres from F.S.Nos.19, 24 and 25 in exchange of his Malki S.Nos. 67/1, 70, 71 and 72, measuring 39 acres and 39 gunthas.

2. It has been reported by the Divisional Forest Officer that the M.S.Nos. 67/1, 70, 71 and 72 of Gangaikop is situated below a tank and are adjoining the Government forest of Hirekerur Range. The area is reported to contain 32 trees as per the list at page 3, the estimate of ~~ex~~ fire wood to yield 91 cart loads. The area is reported to be better suited for this Department from forest conservancy point of view than the forest area request for in exchange and can be availed of for raising plantations nursery etc. Further it is reported there are no encumbrances on the lands. There are no tenants or protected tenants on the land. It is reported that Mohemedan owning land in the village who is living 3 miles away from the land cannot cultivate it and he is not allowed to cultivate the S.Nos. by other villagers.

3. As regards the area of 55 acres from F.S.Nos.19, 24 and 25 of Hirekerur Range, it is reported that it contains only bushes estimating to yield about 100 cart loads of firewood. The area is surrounded by malki lands by three sides. The Divisional Forest Officer recommends grant of 47 acres and 30 gunthas approximately as the sketch at page 49 in exchange of the above S.No. The forest boundary is not affected by the exchange. Further the grazing position of the village is reported to be satisfactory. In the circumstances, I agree with the Divisional Forest Officer's proposals and request you kindly to move Government to issue orders for exchange of M.S.Nos.67/1, 70, 71 and 72 of Gangaikop measuring 39 acres and 39 gunthas with F.S.Nos.24, 25 and 19(pt) measuring 47 acres and 30 gunthas of Hirekerur Range.

Subject:- Request of Shri Kashimkhan W.Husseinkhan Malagimani of Gangaikop for grant of lands for cultivation out of Forest Sy.Nos.19,24 and 25 of Hirekerur Range in exhhange with his Malki Sy.Nos.70 to 72 and 67/1 of Gangaikop village.

Ref:- This office No.G/11/11(59-60)/19 dated 4.4.1960.

In continuation of this office No. mentioned above, I have to report that the area in question was inspected by me on 18.3.1960 during my camp in Hirekerur Range and I have to report as under:-

2. The area owned by Shri Kashimkhan W.Husseinkhan Malagimani of Gangaikop is really a suitable area for this Department for afforestation planting, Wet Nursery etc. Shri Malagimani of Kodmaggi is only the person belonging to Muslim Community owns lands in the old village of Gangaikop and hence the people belonging to other Community who reside in Gangaikop village do not allow him to utilise his lands fully. Besides the applicant resides at Kodmaggi at a distance of 3 miles from Gangaikop and it is very difficult for him to cultivate the lands which are ~~xxix~~ situating at a distance of 3 miles. Due to the above mentioned reasons, it seems that the applicant is prepared to exchange his lands with the forest lands in question.

3. As reported by my predessor in this office Nos. C/11/1119 of 9.11.1959 and C/11/1279 of 10.12.1959 on inspection I also found that the malki area to be taken over by this Department inexchange with the forest area is really fit for afforestation and on the other hand the forest area to be granted is less suited for this Department from the Forest Conservancy point of view. In this area, the plants of Eucalyptus, Sissoo etc.,can be raised.

4. As regards the ownership and encumbrances of the Sy.Nos. 70 to 72 and 67/1 of Gangaikop village, the Tahasildar, Haveri was referred to under this office No.G/11/11(59-60)/19 of 4.4.1960, (Kindly vide page No.17) and on enquiry the Tahasildar Haveri has intimated that there are no encumbrances on the land of Sy.Nos.70 to 72 and 67/1 of Gangaikop village owned by Shri Kashimkhan W.Husseinkhan Malagimani. He further states that there are no tenants or protected tenants on the Sy.Nos. in question (Kindly vide page No.45).

5. In the circumstances reported above action may kindly be taken as requested under this office No.C/11/1119 of 9.11.1959. If it is not possible to grant him the excess forest land at least the forest land equal to his malki land may kindly be granted to him for ~~xx~~ cultivation. The case papers (pages 1 to 46(are resubmitted herewith. for favour of doing the needful.

Gangaikop is really a sutiable area for this Department for afforestation planting, Wet Nursery etc. Shir Malagimani of Kodmaggi is only the person belonging to Muslim Community owns lands in the old village of Gangaikop and hence the people belonging to other community who reside in Gangaikop village do not allow him to utilise his lands fully. Besides the applicant resides at Kodmaggi at a distance of 3 miles from Gangaikop and it is very difficult for him to cultivate the lands which are situating at a distance of 3 miles. Due to the above mentioned reasons, it seems that the applicant is prepared to exchange his lands with the forest lands in question.

As reported by my predessor in this office Nos.C/11/1119 of 9-11-1959 and C/11/1279 of 10-12-1959 on inspection I also found that malki area to be taken over by this department inexchange with the forest area is really fit for afforestation and on the other hand the forest area to be granted is less suited for this Department from the Forest Conservacy point of view. In this area, the plants of Euclapptus, Sissoo etc., can be raised.

As regards the ownership and encumberances of the S.Nos. 70 to 72 and 67/1 of Gangaikop village, the Tahsildar, Haveri was referred to under this office No.G/11/11(59-60)/19 of 4-4-1960, (kindly vide page No.17) and on enquiry the Tahasildar Haveri has intimated that there are no encumbrances on the land of S.Nos.70 to 72 and 67/1 of Gangaikop village owned by Shri Kashimkhan W.Husseinkhan Malagimani. He further states that there are no tenants or protected tenants on the S.Nos. in question (Kindly vide page No.45),

In the circumstances reported above action may kindly be taken as requested under this office No.C/11/1119 of 9-11-1959. As directed in your above quoted letter, the Assistant Commissioner Haveri Dn.Haveri has - personally inspected both the forest and Malki lands involved in this case, His detailed report in the - matter (page 125) may please be perused.

The value of the lands made by the - Assistant Commissioner is as under:-

Forest lands to the equal extent i.e. 40 acres.	Rs.150/- per acre.	" 6200/-

In forwarding herewith the Deputy - Commissioner, Dharwar's letter No.FORSR-591 dated 29- 3-1962, I have to observe as under.

As the Forest Department is anxious to have the lands, I agree to the proposal that equal area of forest land may be granted in exchange for the malki lands offerred by the applicant. But as the proposal has started from the applicant Shri Kashimkhan, who is equally anxious for the exchange, the proposal of the Deputy Commissioner, Dharwar to pay him cash - compensation of Rs. 5,000/- in addition to lands appears to be too liberal at the cost of Government to be recommended. However, as the Forest Department is very anxious to have the lands, it is for that - Department to decide whether in addition to lands, cash compensation of Rs. 5,000/- is also to be paid according to the Deputy Commissioner's valuation. But, whether with or without cash compensation I consider that it is essential that Government title to the malki lands offerred by the applicant should be acquired by instituting formal land acquisition - proceedings so as to avoid disputes and obtain an undisputed title in favour of Government, in view of the instructions contained in Article 58, Part V-A, page-146 of the Bombay Forest Manual Volume -II. Govt may therefore, kindly be moved to issue orders --
